I'm a Ghost in This Body: A Story of the Nomadic Ghost

By Larry Danek

The Nomadic Ghost travels from body to body as required. He never knows when or where that will be. He is accompanied by less visible fellow ghosts. They help him to understand what his purpose in this body is but don't always make it easy. He tends to go from one crisis to another. He remembers a couple past lives but knows there were more of them. He has some abilities that no other humans have. The latest body is recovered from a person that was shot and declared dead. What will he do with this one?
