## Simon's Dream

**B0C87QWXX9 BC07KRHHDD**

Simon Verner is just an ordinary guy, making ends meet by working at a Chicago golf course, spending time with two good friends and his pet goldfish, and trying to avoid his bully stepfather. But everything changes when he begins experiencing a recurring dream of a Chicago police officer being murdered.

While searching for answers, Simon discovers that he actually has the ability to dream of his past lives—and the murdered officer is one such past life. With no one believing him except his good friend Jess, Simon becomes determined to solve the cold case himself.

But the road to truth is long and twisted, and the closer Simon seems to get to the truth, the more betrayal he encounters. As he faces a deadly enemy with powers he has never before encountered, Simon will have to find the courage to tap into his own sense of justice and courage in order to right past wrongs.
