Blood Heiress

1592108857

Nichole Butler came to the small town of Bear River, Montana to escape her suffocating past in New York City. She wanted to make a fresh start in a place where nobody knew her or connected her to her past. She didn't plan on the strong attraction to her surly, but devastatingly handsome boss, Justin Talbott. She stifled this feeling when she realized that Justin had demons of his own that he was desperately trying to escape. Just as Nichole began to feel comfortable in her new home and feel that she might just be able to fall in love again, a woman from Justin's past declares herself the arch-enemy of Nichole and tries

to claim Justin for her own. Nichole feels that she couldn't even begin to compare to this beautiful, sophisticated woman and does not wish to be in a contest for any man, even if he was as handsome and wealthy as Justin Talbott. Nichole forgets the pettiness of competition as her dangerous past catches up to her. Her life is in grave danger, and nobody is prepared for the onslaught because she had hidden the truth of her past from everyone that had become dear to her in Bear River. Will life and love triumph over dark secrets and a tragic past? Find out in this new romantic suspense novel by author Karen Jean Matsko Hood.

Bloom of Autumn Gold 1592102166

Drawing from her acclaimed collection of internationally published poems, American author Karen Jean Matsko Hood weaves together an assortment of her most insightful verses in *Bloom of Autumn Gold*. Hood's writings remind us to value the link between nature and the environment through our daily living. Hood's poetry is not afraid to express outrage toward current social injustices, while at the same time, she offers a voice for those who have often been deemed as forgotten. Hood's words deliver optimism to the most hopeless of situations as she continues on her quest for all to embrace social justice. *Bloom of*

Autumn Gold is an ideal read, time and again. It makes a great gift for friends, family members, and aspiring poets.

Huckleberry Delights B0045U9U34 1596493852

Living in the heart of Washington brings great appreciation for the huckleberry season. Huckleberry bushes are beautiful! Daily, we enjoy the beauty of the huckleberry bushes and the many stories they have inspired. Many of us have wonderful memories of picking huckleberries in the hot July and August sun and running away when a bear came to claim his territory. Huckleberries are indeed a tasty and delicious food. Huckleberry varieties come in many colors, sizes, and textures. The fruit is great for cooking and is nutritious to eat alone. It is no wonder that huckleberry bush cultivation quickly spread throughout the western United States. Huckleberries have an interesting history

of facts and folklore. Some of this huckleberry folklore is included in this book. As a poet, I found it enjoyable to color this cookbook with poetry so that readers could savor the metaphorical richness of the huckleberry as well as its literal flavor. Also included in this *Huckleberry Delights Cookbook* are some articles on history, cultivation, and botanical information, along with interesting facts about huckleberries. The *Cookbook Delights Series* would not be complete without *Huckleberry Delights* because huckleberries are a common and popular Pacific Northwestern American fruit. We hope you enjoy reading it as well as trying out all the recipes. This cookbook is designed for easy use and is organized into alphabetical sections: appetizers and dips; beverages; breads and rolls; breakfasts; cakes; candies; cookies;

desserts; dressings, sauces, and condiments; jams, jellies, and syrups; main dishes; pies; preserving; salads; side dishes; soups; and wines and spirits. Do enjoy reading about huckleberries, but most importantly, have fun with those you care about while you are cooking. Following is a collection of recipes gathered and modified to bring you Huckleberry Delights Cookbook: A Collection of Huckleberry Recipes, Cookbook Delights Series by Karen Jean Matsko Hood.

Petting Farm Fun is the third release in the popular Hood Picture Book Series. It is a delightful bedtime story to entertain and then relax young children before they fall asleep.

The tradition of the bedtime story has been around since before the written word. For generations, and in every culture, parents have prepared their children for bed by telling them stories.

Karen Jean Matsko Hood is a prolific author and poet that loves children and animals. It is only fitting that she would write and direct the art of this delightful petting farm story.

Her family has raised Nubian goats, fainting goats, Baby doll Southdown sheep, Icelandic sheep, Icelandic horses, and other petting animals as she knows this is a valuable experience for children.
