1092144404 B07Q7TNLTC B0914WWCYS

Tomorrow, the world as we know it screeches to a halt.

In a near future America pulled from today's headlines and coming apart at the seams, Turn Red Tomorrow follows an extended family and their friends as they attempt to reunite and overcome the dangers they face along the way. As the world financial system is obliterated overnight, the extensive cast of characters from all walks of life face physical, emotional, and moral struggles that test their beliefs, relationships, and will to survive.

Along the way, many of them fall in with a mysterious benefactor who shows a path to a restored America. Will they succeed, or simply join the nameless millions who have already succumbed to disease, starvation, and violence?

Sixteen Hooves Thunder **B08LJPKCM2 B08LHK5PKF B0194PW7RV**

The heavenly trumpets sound. Four dire horses are loosed upon a broken world.

Sixteen Hooves Thunder—the continuation of the disturbingly prophetic *Turn Red Tomorrow*—picks up right where Michael Zargona’s 2019 debut novel left off with the central characters captured, presumed dead, or on the run in an America mired in perpetual martial law after a devastating financial collapse.

Follow their intertwining stories of love and heartbreak, war and intrigue, desperation and hope, all during the most anticipated—and dreaded—period in human history: the early stages of the Biblical Tribulation where one charismatic leader, appearing to have all the answers to humankind’s ills, seizes control of the entire world with the promise of peace but leaves only destruction and death in his wake.

The Sunset of All Sorrows

The *Apocalypse Revealed* trilogy continues with the long-awaited *The Sunset of All Sorrows*, which concludes the story began in 2019’s *Turn Red Tomorrow* and 2020’s *Sixteen Hooves Thunder*. *The Sunset of All Sorrows* follows a diverse set of characters through the final three and half years of the Biblical Tribulation in a world where nearly all have pledged their lives and worship to the indwelt Antichrist who seeks to capture, kill, and destroy the small remnant who choose to follow his eternal enemy, Jesus Christ.

As the judgments of Revelation are realized with increasing frequency and ferocity, the world descends into complete chaos as the totalitarian system created by the Antichrist and his followers crumbles and falls. *Billions* die in the process. But God—as always—is true to His promise that some of the faithful will survive despite His wrath.
