Catriona McDonnell's greatest fear is deportation back to Scotland, where she would never see her beloved husband, Dougal, again.

Beth Camp brought me so completely into the story of Catriona and her trek across the continent, that I found myself shivering and hungry. Her descriptions of the characters' experiences and feelings, of life in the primitive areas of Canada and the northern United States, and the hardships explorers and settlers endured, draw the reader into the story as few writers can. If you enjoy historical fiction, adventure, and a quest driven by love and hope, you will enjoy Rivers of Stone.

In her third McDonnell novel, RIVERS OF STONE, Beth Camp tells the story of a new bride, Catriona, who declines traveling to the Americas' east coast with her family as an indentured servant. Instead, she chooses to sail to the Americas on the Hudson's Bay Co. ship, Prince Rupert, as a hired-on-hand—disguised as Cat, her husband's brother. They dock at Hudson's Bay fort, York in September 1842

When Catriona's husband, Dougal, and his younger brother, Colin, are sent west with a brigade, Catriona/Cat stays behind at York, working as clerk and copier. Losing her advocates and protectors, she constantly looks over her shoulder in fear of someone discovering her deception. Not only here, but throughout the novel, the reader feels Catriona's deep anxiety about the pretense, about sleeping in the same room with unwashed men and how she endures the severe winter climate in northern Canada.

Catriona/Cat acquires strength and stamina of a young man, and picks up the fort's lingo. Yet the reader gets a chance to know her as a woman when she shows her true female feelings in secluded places. When Dougal doesn't return in a year, like he promised, she desperately tries to hide her fear of abandonment. Later, when Dougal's letters stop, Catriona grieves in solitude. Then she buckles up and joins a brigade going to Vancouver in search of Dougal. The reader is intimately involved with the young woman as she—struggles in her four year search—endures the blizzards, floods and treks over the Canadian Rockies beside rough-tough furmen, buffalo hunters, scoundrels, breeds and friends .

Rivers of Stone is an interesting read. Compliments to Beth on the thorough bibliography she provided, as well as how she kept the narrator -third-person-direct throughout the novel. I would have liked to have followed a map of Catriona's journey
